We've Got A Brand-New Website!

We are excited to announce the official launch of our newly revamped website at Wicare Support Group! Redesigned with heart, this refreshed space serves as a gentle sanctuary for our entire community - making it simpler, safer, and more comforting for widows, fatherless children, and grieving families across Singapore to access care, stay connected, and walk alongside one another.

Here is what you can discover and do in our new online home:

- Receive Care & Support: Easily request private individual or small-group counselling, and join gentle peer-led support groups with fellow widows who truly understand your journey.
- Access Member Resources: Stay informed about upcoming community gatherings, emotional wellness talks, children's therapeutic programmes, and educational bursary applications.
- Give Back & Extend a Hand: Discover meaningful ways to volunteer your time, share donor support, or become a befriender so no family in our Wicare community has to carry loss alone.

We warmly invite you to take a quiet moment to explore our new home, share it with someone who might need a listening ear, or see how you can support our ongoing mission.

Wifilles Family Day @Oceanarium

3 Oct 2026 - Wicare celebrated Children's Day with a special Wifilles Family Day at the Oceanarium, bringing together 11 families comprising 34 mothers and children aged 21 and below. The day began with breakfast at Weave Mall, Resorts World Sentosa, before the families embarked on a self-guided exploration of the Oceanarium. It was a wonderful opportunity for mothers and children to create cherished memories together, strengthen family bonds, and connect with fellow members of the Wicare family.
